21 APRIL 2004

★*SUMMARY OF REVISIONS*

This revision adds the requirement for publication of AFVA 38-104, HQ USAF Organization Chart. It also deletes the requirement for organization charts of major Air Force units on the HQ USAF/DPMO web site. **NOTE:** Additional update of this AFI is upcoming to incorporate changes to the wing structure in Chapter 3. See the Combat Wing Organization (CWO) Program Action Directive (PAD) at <https://www.dp.hq.af.mil/dpm/dpmo.cfm> pending publication of that update. A star (★) indicates revision from the previous edition.

★**6.3. Headquarters Department of the Air Force Organization Chart.** This publication prescribes AFVA 38-104, HQ USAF Organization Chart. AFVA 38-104 shows HQ USAF offices under the Secretariat and the Air Staff down to the 3-letter level, along with their respective Field Operating Agencies (FOAs). 11 WG/XPM prepares this AFVA semiannually or as needed.
